Live Pitching

Live Hitting

Winter Ball is designed to give the hitters a distinct opportunity to keep their timing sharp with live pitching all winter long. The pitchers strengthen and condition their arm while gaining the experience of a live simulation. Catchers build chemistry with the pitchers with live repetition and game calling behind the plate. We will have an umpire calling balls and strikes and a weekly stat book being kept for pitch counts and at bats. Winter Ball will run every Sunday for 10 weeks. Players will be split up according to age. Players will have time to stretch, loosen their arms and take batting practice each session. Each pitcher is guaranteed warm up time +30 pitches live. Hitters will be guaranteed 2+ at bats each week. This program is for advanced players only and is designed to give a player live at bats and live pitching before the start of the season.
